SUMMARY

Frontend developer with internship experience at SPARX Studioz and ongoing freelance work building websites for small businesses. Skilled in React.js, JavaScript, HTML/CSS, Bootstrap, and Tailwind CSS. Working knowledge of Node.js, Express, and MongoDB for backend tasks. Experienced with Figma for UI design, Git for version control, and integrating REST APIs into web projects.

EXPERIENCE

Frontend Developer Intern · SPARX Studioz & Technologies, Abbottabad

Dec 2025 – Jan 2026

- Built responsive web pages using HTML5, CSS3, JavaScript (ES6+), Bootstrap 5, and React.js, ensuring cross-browser compatibility and mobile-first design.
- Designed UI wireframes and prototypes in Figma; customised and maintained WordPress/Elementor client websites including theme edits and plugin setup.
- Collaborated using Git/GitHub in an agile team and assisted with REST API data integration using Fetch API.

Junior Frontend Developer (Freelance) · Remote

Feb 2026 – Present

- Designed and developed custom responsive websites for small businesses using React.js, Tailwind CSS, and vanilla JavaScript.
- Built Node.js/Express backends for contact forms and CRUD operations; integrated third-party APIs and applied SEO best practices.
- Managed client communication and project timelines — consistently meeting deadlines and incorporating feedback efficiently.
